**ASTROLOGY READING TESTIMONIALS:**

**“Wonderful reading.....very accurate and great energy. Will be back again to speak to him. Happy that I found him on this site, answers all your questions and gives you lots of information” ~ Arlin M**

**“Andrew’s reading helped me get back on track with meditation. This is very important in dealing with stress and relationships. My vibration has been low because of grief and much healing is being done with meditation and prayer. Thank you Andrew for your help” ~ Andrea**

**THE 90 DAY ASCENSION JOURNEY – BOOK TESTIMONIAL:**

**“Wow I have read the first 13 chapters of your book and just as you are in person and on the air your very personal and inviting so yes the reader feels your heart felt interaction and sharing. Although chapter 10 brings things into manifestation I felt strongly that 13 brought more pure thought and heart felt intention and attention to mind which is what will work the best for me at this point and time since my immediate surroundings are not mine. You shared so much information about yourself which is teaching by example through self ownership of experience which works very well indeed.” ~ Richard**

**THE 90 DAY ASCENSION JOURNEY – MENTORING TESTIMONIALS:**

**Upon asking Lesly about the journey and its results, she said, “I feel more positive and good; and more control over my life. When something is getting bad I can change it right away”. She said, “I can manifest whatever I want” and that “I can organize better my thoughts” .....she said “I feel more grounded” and feels she has tools she can use for the rest of her life. She also said, “I am connecting more easily with source than before”.**

**“Mr. Aloha's degree of skill and professionalism is very high. At first I was apprehensive about trying this with anyone. It took a lot for me to open up and trust him.....I am very glad that I took the risk.” ~ Jade**
